IN PERSON CHURCH SERVICE SUNDAY

4th July 2021

@10:45am see booking details

@ 11:00am

speaker: Rev Jonathan Moxen

Staying safe at Sunday worship

In order to be able to meet physically for Sunday worship there are guidelines that the Kirk Session and committee must adhere to and we would ask for your cooperation in order that everyone, including those in attendance and the welcome team remain safe.

1. Doors will open at 10.40am. **You do not need to book your seat.**
2. As you queue outside please maintain 2metres social distance and queue up the side of the church building (using the cones as guidance for distance).
3. If you are going to the Bell Room and Macbeth Hall please be mindful of others wishing to enter the doors.
4. Please sanitise your hands and make sure your mask is in place before entering. Unless you are exempt we encourage everyone to wear a mask. We have disposable ones available if you forget yours.
5. The church building is filled from the front to the back. Please do not ask the stewards to sit you in a specific seat. Once capacity is reached the front doors will be closed.
6. In the overflow rooms please do not move chairs as they are placed to adhere to social distance guidelines. If your family group is more than 3 people we would encourage you to sit near each other in two groups.
7. You may use the bathrooms if you need to and there are sanitising wipes in each bathroom.
8. Please complete the Track and trace slip in your seat and leave in one of the offering plates as you leave.
9. At the end of the service please wait in your seat until a steward asks you to leave.
10. For those in the overflow room we would ask that you do not linger but leave the room as quickly as possible.
11. We would encourage you to catch up with each other in the car park but again encourage you to consider retaining social distance guidelines.

WE NEED
volunteers
can you help?

We need more leaders in both Anchor Boys (P1 - P4) and Junior Section (P5 - P7) of the Boys Brigade. We have large numbers in both sections and hopefully as we return to meeting

together in the Autumn we need to ensure we have adequate leaders. If you would like to find out more about what is involved or get involved please speak to Lucy Hull

07715726279 or Niall

McConkey 07711 158 198. This work is too important and we would never want to turn boys away due to a lack of leaders. Many thanks Niall

CAN YOU HELP?

Each week our church service is both live streamed and recorded.

From the recording 40 DVDs are copied and distributed to members of our congregation who prefer not to come into the church building at this time and who are unable to watch the services on YouTube.

A team of people have been providing these DVDs since the start of the first lockdown and now that we are allowed more freedom, some may wish to go to go to meet family or just have a holiday.

To ensure continuity, relief helpers are needed to carry out the following tasks when required:

- Copy the discs (1 ½ hours on Monday in church building)
- Prepare packs of discs and if appropriate, printed news sheets, for distributors
- Distribute DVD's to an area of greater Ballyclare

Full instruction and backup will be given for whatever task you chose to do.

If you are willing to help, please contact the church office and leave your name and telephone number, or text/ring me direct.

Church Office

Our church office will be
closed over the summer
months.

The best way to contact the Office during this time is to email or leave a message on the answering machine and it will be followed up as soon as possible.

Death is an inevitable fact of life and it is at such sad times as these that our Church is often able to help. Services of thanksgiving for the lives of loyal members and sometimes family members are held in our building and conducted by our Ministerial Team. Providing a final farewell to a family member or a long-standing friend.

Funeral timing cannot be pre-planned; that is in

God's hands. Therefore, we need to be able to respond to a request for a funeral service at a couple of days' notice.

More is now expected from the church, in addition to providing the building etc we are responsible for keeping people safe in the current pandemic, recording the service, playing music, poems or video through the av equipment etc. Families sometimes request that the service be live streamed on the internet, however that requires additional expertise which is not always available.

This all takes people who are willing to give of their time and expertise, and we need more volunteers from our congregation to ensure that services can be readily provided and are adequately resourced. Note that for every technical person three or four non-technical people are required to look after the people attending.

Please prayerfully consider becoming a part of the team and contact the office or David Gawn (07376051881). In either case if you have to leave a message, please include your name and number.
