Weekly prayer points

1. Pray to our Lord Jesus Christ a truly mighty and wonderful saviour. God you created us for yourself and we were made to worship and serve you. "I will sing for joy in God, explode in praise from deep in my soul" Isaiah 61:10 The Message.
2. Pray with confidence and hope leaving all of our needs and desires in God's hands. We may well pray for the wrong things but if we humbly cry, ask and appeal we will surely get many answers.
3. Pray for the leaders and young people of our Youth Fellowship. Pray for Martin, Lindsay, Ruth, Hannah and Aaron as they continue to build on the relationships that they have formed with the youth. Pray for the young people to grow closer to God, to have the courage to be open about their faith and to use their gifts to the glory of God.
4. Pray for members of our church family and others known to us who are dealing with illness, loss and uncertainty. Pray that they will feel the deepness of God's love for them. "I know the Lord is always with me. I will not be shaken, for he is right beside me. Psalm 16:8 NLT
5. Pray for our town of Ballyclare. For the local businesses and employers in the community, for volunteers and those public sector workers who provide essential services. Pray for all of the local churches to work effectively both individually and collectively to share the hope, love and truth of the gospel.

Meet our church

Dear Family and Friends,

We trust and hope you are keeping well in this 2nd week of January 2024.

PNG, especially Port Moresby and other centers, since Wednesday, had civil unrest.

There has been Protest by law enforcement officers respectively, shops being ransacked by looters and even some shops being burned down, banks and hospitals closed.

When you are able to, we would appreciate a prayer for the PNG government, NGOs and Churches to bring Normalcy back to the city. Most businesses were affected, prayer for the owners. Prayer for protection for both expat community and general public.

It obviously will take some time to restore routine and normalcy.

Thanks. Simon

NB: We are safe, just that groceries running as there is no way to buy as shops are closed, but there is police and military presence to help open few shops, so hopefully this happens today.
